RE: *In re: Zoloft (Sertraline Hydrochloride) Products Liability Litigation*, MDL No. 2342
Multi-District Coordinator's Report No. 3

Dear Judge Rufe:

This is the Multi-District Coordinator's Report No. 3 concerning pending Zoloft MDL cases and pending state court cases filed in Illinois, Missouri, New York, Pennsylvania and West Virginia.

Eastern District of Pennsylvania

There are approximately two-hundred-fifty-eight (258) Zoloft cases pending in this MDL Court.

On November 20, 2012, I sent letters to numerous state court judges who have pending Zoloft cases to provide them with an update on the MDL proceedings. I also provided these judges with copies of the discovery order entered by this Court on November 16, 2012 (Doc. # 287) and the upcoming Rule 30(b)(6) deposition notices scheduled for December 19-21. Finally, I conveyed Your Honor's availability to discuss with these judges the possibility of coordination between the state court and federal court proceedings. Your Honor was copied on these letters.

Illinois

There are fourteen (14) cases pending in two-multi-party complaints and one individual complaint in St. Clair County, Illinois.

Wilson et al. v. Pfizer involves eight (8) Plaintiff families.
Saville et al. v. Pfizer involves five (5) Plaintiff families.
Ratliff v. Pfizer has one (1) Plaintiff family involving twins.

Wilson and *Saville* are pending before the Honorable Andrew Gleeson and *Ratliff* is pending before the Honorable Vince Lopinot.

In *Wilson* and *Saville*, the parties have exchanged initial discovery responses and protective orders have been entered in both cases. In both cases, Pfizer has also served written discovery limited to forum non conveniens issues and has moved to stay further discovery pending coordination with the MDL and resolution of its pending motions. The pending motions in *Wilson* and *Seville* are Pfizer's Motion to Sever, Motion to Stay Discovery and Motion to Dismiss on Forum Non Conveniens Grounds. Oral argument on Pfizer's pending motions was heard on July 24, 2012, and those motions are awaiting a decision by Judge Gleeson.

The parties have also exchanged initial discovery responses in the *Ratliff* matter. In addition, defendant St. Elizabeth's Hospital has filed a Motion to Dismiss, which has been noticed for hearing on January 23, 2013.

Additionally, on July 23, 2012, the Honorable G. Patrick Murphy of the Southern District of Illinois granted Plaintiffs' motion to remand in *Reeves et al. v. Pfizer*, which involved thirty-eight (38) Plaintiff families and was originally filed in St. Clair County, Illinois. Pfizer filed a Notice of Appeal with the Court of Appeals for the Seventh Circuit.

On July 31, 2012, the Seventh Circuit raised an issue as to whether the order appealed from is a final appealable order and ordered the parties to file briefs addressing the jurisdictional issue. Pfizer filed its jurisdictional memorandum on August 13th and the Plaintiffs filed their response on August 20th. The appeal is pending.
